

# التحكم بال شبكات

## الشبكة

```
networksetup -listallhardwarereports  
sudo networksetup -setairportpower en0 on  
sudo networksetup -setairportpower en0 off
```

## البلوتوث

```
brew install blueutil  
blueutil --power 0  
blueutil --power 1
```

## الصوت

```
# Set volume to 50%  
osascript -e 'set volume output volume 50'  
  
# Mute the volume  
osascript -e 'set volume with output muted'  
  
# Unmute the volume  
osascript -e 'set volume without output muted'
```
