Code Review Web

This is the README.md from github project <https://github.com/lzwjava/code-review-web>.

code-review-web

CodeReview is a professional platform for code review, communication, and sharing. Engineers can submit their code for expert review to improve the quality of their code. It was founded by 6 Internet lovers, including me.

Projects

- code-review-server
- code-review-web

Building

```
npm install
# watch:
node server.js
# build:
npm run build
# deploy
npm run deploy
# submodule
git submodule init
git submodule update
```

Debug

□ apitest.conf □□□ /usr/local/nginx/conf/sites/ □□□ nginx.conf □□□ sites/*.conf□□□ nginx□
