

## Moments with Kids

- Around January 2025, my 3.5-year-old daughter used the iPad one day and said she had taken photos of me. This was her first time using the Camera App.
- Around January 2025, she used a microscope to look at me and said that she saw two of me.
- She gets excited when doing things for the first time.
- Watch youtube kids a lot.
- My daughter could sing “Baby Shark”and “Happy Birthday”at 2.5 years old.
